**Top Recruitment Agency in Kenya**

## **Who We Are**

Jamin Agencies is a leading recruitment agency and training Provider in Kenya with years of experience helping employers, working professionals and job seekers fulfill jobs, augment their skills and talent.

Jamin Agency has successfully placed thousands of job seekers from around Kenya into relevant positions and has contributed significantly to advancing careers.

We help employers to attract, recruit, develop, and retain top talent. We provide solutions that are global, local, strategic and impactful.

Being one of the leading recruitment companies in Nairobi Kenya, we understand the importance of employing a professionally trained and highly qualified workforce. Our multicultural, dedicated team of experienced recruitment consultants is on hand around the clock to assist with your needs.

## **Why Work With Us**

One of our core areas of expertise is the provision of recruitment and consultancy services, and we have built up many years experience in this highly competitive field.

We provide quality and value by structuring high impact teams which consist of professionals with exceptional abilities that will fit the clients' needs

# Our Services

## Job Recruitment Services

As an employer it's important to find and retain the best people in the most cost-effective way. We nurture our network and know how to engage qualified candidates to bring them to you.

We are leading professional recruitment agency specializing on the recruitment of unskilled and skilled, permanent, contract and/or temporary positions on behalf of individuals and companies.

At Jamin Agencies, we are experts when it comes to human resource advisory solutions, delivering the flexible, practical employment support that your business needs.

We value a consultative approach to recruiting, meaning we don't simply send over a stack of CVs and call the job done. Instead, we form relationships with the companies we work with to ensure that we're not only hiring the right professionals, but we're also hiring for the right types of positions

## Consulting Services

## Training Services

At Jamin Agency we offer training services for job seekers. Each training program is developed and customized to "fit" your organization's culture and needs.

We arrange the for training needed, including trade tests and medical examination of selected applicants

Jamin Agency offers you a wide range of employment opportunities to choose from; Drivers, cleaners, domestic workers, cashiers, fue attendants, medics and others jobs. We make every effort to ensure that we do comprehensive background checks so that our candidates find the most favorable working conditions.
